

SWEET HARVEST FOODS

#1 NATURAL SWEETENER COMPANY IN THE US

Sweet Harvest Foods is a worldwide leader in procurement, production and distribution of natural sweeteners. Our production facilities in Minnesota and California produce and supply our customers in the foodservice, manufacturing, and retail sectors.

Our global organization prides itself on an experienced professional team with a daily focus on safety, product quality, and customer needs. And we have a proven record of quality, expertise, and reliability.

GLOBAL SOURCING NETWORK

Our global buyers have strong relationships with beekeepers, producers, and importers.

END-TO-END SUPPLY CHAIN

Sweet Harvest Foods offers the benefits of a complete sourcing model for honey.

OUR END-TO-END MODEL
